1 Introduction

SpaceX is an American space transport company that designs and manufactures rockets.

2 Background

2.1 Tracing and Debugging

2.2 Existing Tool

3 Problem Statement

4 SpaceShark

4.1 Design

4.2 Architecture

4.3 Parser

5 User Feedback

5.1 General Feedback

5.2 Feedback on Specific Pages

6 Challenges

6.1 Ftrace versioning

6.2 Selection of charting tool

6.3 Batch loading

7 Future Work

7.1 Known bugs

7.2 Extensions

7.3 Scalability

7.4 more user testing - results
